

## 2021 Producer Technology Uptake Program: Producer group grant recipients

<b>Producer Group</b>	<b>Project</b>
Upper North Farming Systems	Incorporating digital farming for improved productivity in the Upper North of South Australia
Monaro Farming Systems	Practical technology uptake on The Monaro – hosting a regional agricultural technology symposium
Riverine Plains Inc	Innovation uptake program
Griffith and District Citrus Growers Association	Skills and knowledge development of advanced telemetry enabled digital irrigation monitoring technologies
Stirlings to Coast Farmers Inc	Improving farm water use efficiency – digital technology implementation and training to improve overall on-farm productivity and improve farm water-use efficiencies
Fruit Growers Victoria	Fruit Tech 2021
Macquarie Cotton Growers Association	Digitally enabled cotton farms – back to basics
Australian Native Food Industry Limited	Building technology adoption capability in the native ag and food sector
South Australian Growers Ltd	Intensive horticulture advanced technology outreach and adoption program
Food and Agribusiness Network Limited	FAN agtech farm trail
Woorak farming community group	Soil moisture sensor network in the medium/low rainfall environment in the Northern Wimmera

Western Australian Pork Producers Association (Inc)	Data Pig  implementation pilot program
Southern Growers Incorporated	Encouraging adoption of cost efficient, accurate moisture monitoring in the irrigated farming system
West Midlands Group	Clarifying the value proposition for farmers when considering variable rate (VR) fertiliser application to improve uptake of variable rate technology
Sunraysia Citrus Growers	Skills and knowledge development of advanced digital irrigation telemetry monitoring technologies
Australian Tea Tree Industry Association Members	Evaluating a remote sensing 'Time Series' approach for monitoring seasonal variability in tree health and yield forecasting in tea tree
Victorian Strawberry Growers Association Inc	Agtech workshops and adoption strategy
Macintyre Ag Alliance	Getting connected with LoRaWAN
Viticulture Society of the Canberra District Incorporated Association	Digital viticulture technology for the Canberra Wine District
Buckleboo Farm Improvement Group Incorporated	Enabling farmers to understand and utilise useful agtech developments
